

A woman with long blonde hair is shown in profile, looking upwards and smiling. The background is filled with numerous out-of-focus blue lights, creating a bokeh effect. The entire image has a blue color cast.

 NOSHADO

MAGICAL LIGHTING

ABOUT

Noshado Ltd. is a European owned Christmas, party and decorative light manufacturer based in China.

Our company was founded in 2007 with a passion to incorporate the latest technology to festive and everyday decorative lighting that brings magic to living spaces.

For more than a decade, we have been combining the latest European innovation, global quality and service standards with China manufacturing expertise and agility.

We work and co-create with many of the largest hypermarket and supermarket chains, importers, wholesalers and specialty retailers in Europe and the USA.

ABOUT

With manufacturing facilities in Linhai, offices in Hong Kong and Shanghai, and a 300m² showroom in Ningbo, China featuring hundreds of **Christmas and festive lights, lighted trees, acrylic ornaments, decorative seasonal lights, projectors and other festive decorative items**, we are ready to offer you the best in class products in the industry.
